**Message from Mary Allen, Founder and President of the Board of Genesis House**

Genesis House, Inc. has entered our 45th year of sheltering the homeless population of Brevard County and beyond. We have been able to stay open during the COVID Pandemic, which has caused many more people to need our help.

Every day we receive increasingly more tearful, desperate phone calls from people who are suddenly homeless due to their many problems and financial situations. I am grateful that we can help so many of them.

*"For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me." Matthew 23:36-40*

I am thankful and amazed by the loving and generous support we have continuously received through the years. We are now able to help senior men, in addition to sheltering women and children, by partnering with other agencies plus the generous donations of individuals, churches, and the community organizations and businesses. Supporting the Genesis Boutique, by either donating or shopping, also provides financial support to our programs.

Your continued support is needed as we expand our shelter space and the services of our case management staff. We have enclosed our updated brochure which explains our current services. Our goal is aimed at helping our homeless residents find jobs, permanent housing, educational programs, and placing their children into schools that can meet their special needs.

I wish you could hear the grateful words we hear from our current and past residents. Most of them had almost given up hope, but Genesis House is there for them. Thank you for your help and your continued support and prayers.

*Mary Allen*
